## Core Curriculum

The following core curriculum sets the minimum course requirements for all business majors. With recommendations of the student's advisor, supplementary courses are selected to meet the total minimum of 120 credits required for the Bachelor of Science degree.

All freshman and sophomore required courses must be completed prior to or concurrent with first enrollment in required junior and senior courses. By the beginning of the junior year, students must select one of the above concentrations approved for the major in Business Administration.

Additional requirements which all business majors must complete are:

- one of the approved concentrations;
- All-University Core Curriculum (AUCC) (<http://catalog.colostate.edu/general-catalog/all-university-core-curriculum/aucc/>) requirements;
- Business majors must not utilize the satisfactory/unsatisfactory (S/U) grading option in any Business concentration course or and Business core course (BUS and non-BUS subject codes) except when a course allows S/U grading.

## Effective Fall 2024

The College of Business requires a minimum grade point average of 2.000 in business and economics courses as a graduation requirement.
