## Major Completion Map

### Distinctive Requirements for Degree Program:

Students should seek admission to the Educator Licensure program in their junior year. Visit Educator Preparation ([https://](https://www.chhs.colostate.edu/soe/center-for-educator-preparation/)

[www.chhs.colostate.edu/soe/center-for-educator-preparation/](https://www.chhs.colostate.edu/soe/center-for-educator-preparation/)) for the application process, GPA, and other requirements). Teacher licensure includes courses (EDUC and EDCT) that must be taken in each Phase I, II, and III concurrently and prior to the next phase.

Students who do not qualify for teacher licensure or who prefer another professional option should consult with their academic advisor. Students must complete a graduation contract with their academic advisor during the first two weeks of the semester in which they are graduating.
