

# MAJOR IN HISTORY, GENERAL HISTORY CONCENTRATION

---

The General History concentration is an excellent choice for students planning careers in history, government service, or other professional occupations requiring broad intellectual and practical skills, and it offers students maximum flexibility with History electives so students can pursue their own intellectual passions across our curriculum. Use our **Blaze your Trail** tool to find courses with common themes and perspectives in these fields:

- War & Diplomacy
- Women & Gender
- Revolution
- Race & Ethnicity
- Empire, Colonialism, & Borderlands
- Religion
- Environment

History majors who select the General History concentration must complete another major or minor offered at CSU (except the minor in History).
