A minimum of 36 credits are required to complete this program.

¹ Graduate students may use 300 or 400 level undergraduate courses approved by their committee in the Program of Study (GS Form 6) up to the limits set by the Graduate School. Graduate students may apply remedial undergraduate courses they were required to take as a condition of their admission toward the degree if such undergraduate credits are consistent with the requirements of the degree AND approved by their committee in the Program of Study (GS Form 6).

² Outside courses optional and/or as recommended by the Student's Graduate Committee.
